THE COMMUNICATOR

- The Communicator is a software application tool used to communicate effectively with parents. The Communicator features up-to-date news, a school calendar (also updated regularly), the School's contact list, homework timetable, a photo gallery and links to useful resources. There are also critical alerts for news that needs to be conveyed urgently. It also has a sms facility.
- Once installed, information is automatically updated and is sent directly to your computer. You do not need to do anything! The Communicator launches every morning, so parents can see school news at least once a day. The Communicator can also be launched at any time by clicking on the desktop shortcut or via the Start menu.
- Download the Communicator by visiting the following link:

THE SCHOOL BADGE

The School badge comprises the Royal Coat of Arms of Great Britain and the Coat of Arms of the Province of Natal (now KwaZulu-Natal).

The Royal Coat of Arms displays two mottos:

The motto of the Order of the Garter, which reads

Honi soit qui mal y pense –

Dishonoured be he who thinks ill of it (the garter) and

Dieu et mon droit - God and my right (the divine right accorded to the king) was introduced by Richard I, subsequently discarded, and re-introduced by Edward III.

Deo Fretus - Trusting in God – is on the scroll beneath the coat of arms of Durban High School and is the only one which has its origins in the School.

- * The Natal Coat of Arms was granted to the Colony of Natal by the College of Arms and Royal Warrant on 16 May 1907.
- * Prior to the registration of the Coat of Arms the orientation of the two Black Wildebeest was altered to **to dexter** (from the viewer's right to left) from **to sinister** (from the viewer's left to right) in order that it be heraldically correct.

LEADERSHIP 2016

“Honouring all Relationships”

The Leadership Programme at DHS consists of a number of different initiatives. They are Mentorship, the Cobham Drakensberg hike, Community Service, House Prefectship, School Prefectship, Blackmore Prefectship, the RCL, Work Experience, Co-curricular Captains and Class Captains. These operate at different grade levels.

GRADE 8

The Grade 8s are mentored on a weekly basis by their Grade 11 mentors, who will operate as their “big brothers” on campus, and will work through the mentorship syllabus with them during the year.

12 hours of community service are performed during the year.

GRADE 9

The Grade 9s continue their mentorship programme from the previous year, except that they are now being mentored by matrics.

12 hours of community service are performed during the year.

GRADE 10

The entire grade attends a five-day hike through the beautiful Cobham area of the Drakensberg, putting those hard learned leadership and team work lessons into practice out in the field.

Mentors are trained for their Grade 11 responsibilities.

24 hours of community service are performed outside DHS.

GRADE 11

Those selected for the mentorship programme mentor their Grade 8 charges.

House and School Prefects are appointed, and take charge as soon as the Matrics begin Trials. The Chairman of the RCL is democratically elected and serves during his matric year.

24 hours of community service are performed outside DHS.

GRADE 12

The Grade 12 mentors work with Grade 9 learners during their matric year.

House, Blackmore and School Prefects provide learner leadership throughout the year.

The Chairperson of the RCL is elected, and serves during his matric year.

SPORT INFORMATION 2016

Sport is seen as an integral part of School life. Grades 8, 9, 10 and 11 learners are required to participate in one sport per term.

Durban High School has a number of sports and related activities on offer. Within the next series of pages you will be able to see the sports available. Once you have seen the wide variety of extra-mural activities the School can offer you, **you must commit yourself to at least one sporting code per term**. Your participation in sport will be monitored during the course of the year. This commitment could be a direct involvement within the sport or could be an administrative or assistance role within the sport, e.g. Cricket scorer or First Aid assistant.

COMMITMENT

Once you have decided on your sporting activity for the term, you will need to report to practice on the designated days and participate within that activity for the **entire** season. This process will be repeated at the beginning of each term. You will be required to have the **Sports Commitment Form** signed by your new coach, your parents and most importantly yourself. This level of commitment will be monitored by your educators, prefects and Grade Heads on a regular basis. Learners who fail to attend practices or matches without a valid excuse will receive a detention from the Sport Committee.

DHS PASSION AND PRIDE IN SPORT

You will now be engaging yourself in the sporting activities that DHS has to offer. In doing so, you become a part of the 150 year history of sportsmen who have worn the DHS Blue and Gold Colours. As they did in their time at 'School', so you should play all your sport with **Passion and Pride**. Playing with Passion and Pride does not mean win at all costs; it means play the game with spirit and sportsmanship. You must be a true ambassador of the School, both on and off the sports field.

RESPONSIBILITY OF LEARNERS

You are to ensure that you have committed yourself to a sporting activity and that you attend both practices and fixtures. **Should a problem arise that you cannot attend a fixture or practice, it is your responsibility to find your coach or facilitator and excuse yourself well in advance (at least two days) with a letter from your parent/guardian.** It is your responsibility to ensure that you have the correct kit for practices and matches. There is a kit list included in this booklet. You should attend all meetings and check the notice boards at least once a day.

PARENTS

We at DHS encourage parents/guardians to support their sons by attending fixtures, assisting with transport, if needed, and helping with supplying teas and cakes for home fixtures. We also appeal to our parents to support the sporting activities by encouraging their sons to participate. We also ask that parents/guardians ensure that their sons have the correct kit for their sporting activities in which their sons will participate.

DRESS CODES – Apply to Fixtures and Practices.

When arriving at or departing from a fixture or practice, be it a home or an away fixture, all learners will **dress in full school uniform. This rule also applies to going home after sports practices in the afternoon where the boys must change into full school uniform.** The sports kit required for that fixture must be carried in an appropriate school bag. The dress code for each sporting discipline has been outlined for your information. Please check the list below and record the appropriate kit required for each sport.

The majority of your sports kit requirements can be purchased at the DHS Clothes Shop located under the Media Centre: (031) 277 1527 (Mrs C. Fisher).

ALCOHOL and DRUGS

Alcohol is far more immediately dangerous than smoking. It is an offence for any person in South Africa under eighteen years of age to consume alcohol. (Consumption is prohibited by law.) At DHS drinking or being in possession of alcohol is prohibited at all times in line with National Policy.

Drugs - South African Schools Act prohibits the misuse of drugs. Any pupil involved in or found in possession of a suspicious substance can expect the following sanctions:

- The suspicious substance will be confiscated.
- The police will be consulted concerning the nature of the substance.
- If it is an illegal drug the learner will be isolated immediately.
- Parents will be called to the school.
- The illegal drug will be handed over to the police who may prosecute the learner.
- The school will convene a Discipline Hearing. Any learner found guilty may expect to be permanently expelled from the school.

Parents and learners of DHS are advised of the insertion of Section 8A in Act 84 of 1996:

“Random search and seizure and drug testing at schools

- *the principal, or his/her delegate, may, at random, search any group of learners, or the property of a group of learners, for any dangerous object or illegal drug.”*

CELLPHONES

The following policy will be followed:

1. **NO CELLPHONES are allowed at School.**
2. In the event of a transgression, **administration staff or educators will not be held responsible** for the safekeeping of cellphones.
3. Any phones stolen from boys at school will not be the responsibility of the School. Parents are advised to contact a tracking service.
4. If a learner:
 - (a) has a cellphone switched on at school during school time,
 - (b) uses his cellphone during school times without permission,
 - (c) has his cellphone visible at school,then his phone will be confiscated for a period as designated by the School.

Cellphones will be withheld for a period of two (2) weeks.

Repeat offenders, however, may have this period extended at the Headmaster's discretion. The Sim Card will also be confiscated.

5. **No CD players/Headphones/Walkmans/iPods/MP3 players/any electronic entertainment device** are allowed at School or at any extra-mural activities including Saturday events - they will be confiscated and withheld until the learner has completed his 10 hours of detention.
6. **The School will not accept responsibility for any confiscated items!**

ANTI-BULLYING POLICY

Procedures for Staff dealing with bullying incidents

1. Educators respond to all incidents of bullying.
2. All incidents to be reported on pink incident reports and passed to relevant person (Discipline Officer if outside the classroom and Grade Head when inside the classroom).
3. Perpetrators and victims to be reported to the Discipline Officer or relevant Grade Head for follow up/monitoring.
4. Discipline Officer or Grade Head to inform Counsellor of all major concerns. All referrals, apart from self-referrals, need to go through the Grade Head.
5. If a pattern of bullying emerges parents are interviewed and a plan of action implemented.
6. All physical forms of bullying will result in detention/s and possible internal suspension and go through the Discipline Officer.

Procedures for Learners

1. Believe that any form of bullying is not acceptable.
2. Two options are available for victims and witnesses:
 - a. Report the incident of bullying to your class tutor, the educator on duty, Grade Head or Discipline Officer.
 - b. Peer mediation is an alternative if preferred. A learner can request mediation through the Prefects or RCL of the School.

Procedures for Parents

If a parent suspects a learner is a victim of bullying:

1. contact the Grade Head or Discipline Officer and they will liaise with the Counsellor and address the concerns.
2. The School will liaise with parents on a regular basis until the learner feels safe.

EXAMINATION REGULATIONS

1. There is **NO** study leave prior to the commencement of examinations.
2. All learners are expected to be at School at the normal school time should they be writing in the first session and at least 30 minutes before the start of an exam in the second session. This is to ensure that an accurate registration of learners takes place and that the stipulated reading time, prior to each examination, is correctly adhered to. **No additional time** for an exam will be given should a learner **arrive late** for an examination.
3. **During the examination times, all learners need only attend school when they are writing examinations.** No learner is required to be at school if he is not writing an examination paper.
4. **In the event of your son being ill for an examination**, it is essential that you **contact the School as soon as possible** on the morning of the examination. Reception is open from 07h15 daily. **All absences must be accompanied by an original Doctor's Certificate.** Failure to provide a **Doctor's Certificate** will result in a learner receiving zero for the exam that he has missed.
5. **Please ensure that your son has the correct stationery (in a clear plastic bag/plastic sleeve) for all** his exams. Your son is expected to study his examination timetable to ensure that he is at School on the correct day, at the correct time and that he reports to the correct venue. Venues for examinations will be made available to learners in due course.
6. The normal regulations governing examination irregularities apply as per all previous examinations and according to the guidelines of the KZN Department of Education.
7. Learners may **NOT bring cellphones** into examination venues. Failure to comply with this will result in the learner receiving **ZERO** for the examination.
8. No bags may be brought into examination venues.
9. Correct school uniform, hair and shaving regulations apply during examinations.
10. Learners should bring watches with them to examinations for effective time management purposes.

Durban High School Policy on Viewing Exam Scripts

1. Learners are allowed to view all tests and examination scripts at School.
2. Parents/Guardians are also allowed to see their son's/ward's tests and examination scripts. Neither Learners nor Parents/Guardians will be permitted to take the scripts away with them. Copying of entire scripts is also **not** permitted.
3. The script viewing exercise acts as a form of feedback providing Learners with an opportunity to view their scripts which, when accompanied by the exam paper, may provide useful insight as to why the Learner got the mark they did.
4. The script viewing is **not** an opportunity for Learners to view their scripts and then ask for that script to be re-marked. The School does not remark scripts as moderation and standardisation would have taken place prior to handing back the scripts.
5. After viewing, Learners can, however, ask for their scripts to be checked. This means that their script will be checked to make sure that all content within the script has been marked and that the final marks for each section of the paper have been added up correctly.
6. All scripts remain in the custody of the School.
This is in accordance with the Department of Basic Education's Portfolio Policy.

Durban High School Plagiarism Policy

Rationale

Durban High School understands and values the concept of intellectual property. Educators endeavour to teach learners the ethical responsibility they have when documenting the ideas of others and will hold learners accountable when this is not done. In this regard each learner assisted by his guardian or parent will be required to sign this policy document to show their acknowledgement and acceptance.

Examples of plagiarism signals:

- Direct copying of the work of another submitted as the learner's own (from that of another learner or other person, from an Internet source, from any print or visual source).
- Lack of or incomplete in-text documentation.
- Incomplete in-text or in project documentation.

Responsibilities: It is the **educator's responsibility** to provide:

- an assignment sheet with explicit requirements and directions.
- a specific rubric for assessment of the process and the product.
- checkpoints to facilitate the research process.
- help learners who are having difficulties.

It is the **learner's responsibility** to:

- meet deadlines.
- ask questions and to get help from educators.
- use cited works accurately and appropriately.
- use cited works and consulted pages accurately and appropriately.
- submit **only** his own work.

Consequences

1. The Academic Standards Committee (the Academic Head of the school and at least two other Academic Heads of Department and the educator involved in the referring issue) will meet to confirm the educator's suspicion of plagiarism and to make a disciplinary recommendation. If a learner is found guilty of plagiarism, a learner could face disciplinary procedure.
2. The learner may choose not to take advantage of the second opportunity. If so, he will receive zero. Should the learner choose to make use of the second opportunity the educator will assess the second opportunity work. If satisfactory, the lowest passing grade will replace the zero. If the work is unsatisfactory, the zero stands.

DHS TEXTBOOK POLICY

A. The Learner, Parent, or Guardian

1. Is responsible for each textbook issued to the learner. A learner who fails to return all textbooks forfeits the right to textbooks until each textbook previously issued but not returned is paid for by, learner, parent, or guardian. The school shall allow the learner to use textbooks at school during each school day.
2. Keep textbooks covered at all times.
3. Return textbooks to the teacher or textbook coordinator at the close of the Term / school year / day of final examination in each subject or when the learner withdraws from school.
4. Write the learner's name inside the front cover of the textbook in ink.
5. Keep the textbook in good condition. Any misuse of textbooks due to carelessness or neglect may be considered cause to charge the learner a fine for that textbook.

B. Fines

Textbook coordinators and teachers are encouraged to use good judgment when levying fines – if marks are minor they can be erased or tippexed out.

The recommended fine schedule is as follows:

DAMAGES	% OF COST OF BOOK
1. Torn pages	25%
2. Damaged cover	25%
3. Ink or pencil marks	
Minor	R1.00/page
Major	25%
4. Loose bindings – due to apparent abuse	50%
5. Minor water damage	50%
6. Missing pages	100%
7. Obscenities - drawn or written	100%
8. Damages that prevent re-issuing books	100%
9. Missing bar codes	100%

If a learner pays for a book in full, he is entitled to keep that book!

Important note: Occasionally there are problems with new books that do not hold up to normal use. Typically the bindings break. If books in use in the school seem to have a manufacturing defect, please bring it to the attention of the textbook coordinator as soon as the problem is discovered. The textbook coordinator will want to examine the book(s) personally to determine what action should be taken.

If it is determined that a manufacturing defect has caused the damage, the books should be replaced or repaired by the publisher.

Learners should not be charged a fine for books that fall into this category.

**DURBAN HIGH SCHOOL:
Electronic Resources : Acceptable Use Policy
and Procedures for Learners**

Durban High School will permit learners to access Internet and use of Tablets and Laptops and E-textbooks as part of the instructional process. Use of electronic resources is a privilege. All use of electronic resources must be in support of education and research and must be consistent with the mission and objectives of Durban High School. In order to maintain the privilege, users must agree to and comply with all of the Rules and Responsibilities when using electronic resources during the school day.

**Rules and Responsibilities when using electronic resources

- 6) Violation of policies or rules governing the use of electronic devices or any careless use of the device may result in a learner’s device being confiscated and/or a learner only being allowed to use the device under the direct supervision of an educator. The learner will also be subject to disciplinary action for any violations of this policy.

LEVELS OF MISCONDUCT AND APPROPRIATE DISCIPLINARY MEASURES

This document MUST be read in conjunction with the School Code of Conduct.

This document is intended to serve only as a guideline in relation to appropriate disciplinary measures in respect of specific forms of misconduct. It must be borne in mind that the appropriateness of any disciplinary measure must be assessed in the light of the particular circumstances in which the incident of misconduct has occurred, taking into account the seriousness of the misconduct and any relevant mitigating factors.

The aim of punishment is not to degrade or humiliate, but rather to guide and educate learners to appropriate forms of behaviour. The guiding principles must always be that any disciplinary action taken must be fair, reasonable and proportionate to the misconduct. The particular misconduct and the circumstances in which the conduct occurs may justify departures from these guidelines.

Learners must understand that action may be taken against them if they contravene the Code of Conduct.

The philosophy of the disciplinary system is based on human dignity and on respect and consideration for others.

DHS PRAYER

O Lord Our Heavenly Father
Almighty and Everlasting God
Who has safely brought us
To the beginning of this day
Defend us in the same
With thy mighty power
And grant that this day
We fall into no sin
Neither run into any kind of danger
But that all our doings
May be ordered by Thy governance
To do that which is righteous
In Thy sight. Amen

SCHOOL SONG

There is a school upon a hill
Which has been there for many a year
And in that time we've stood for stead
Our fathers strove to make our name.
We bear with pride wherever we go
Our colours true, the blue and gold.
So play the game with might and main
You'll know we're here to raise a cheer...
School, school, school!

SCHOOL DOWN THE ROAD

I'm a Horsefly, I'm a Horsefly
I'm a Horsefly till I die!
But I'd rather be a Horsefly
Than go to Glenwood High!

COLLEGE SONG

There is a High School in the town, in the town,
And there the 1st Team sits them down, sits them down
And drink their drink with laughter gay and free,
And never ever think of tea.

Chorus Let it out for we must beat them for it's twice a year we meet them.
And remember that the best of games must end, must end.
A try, you chaps, a try, a try, a try
And then you'll hear the schoolians cry, schoolians cry.
SCHOOL, SCHOOL, SCHOOL, SCHOOL,

Good old Durban High. You chaps we want another try!
The forwards play with zeal and zest, zeal and zest,
And never pause to take a rest, take a rest,
till the ball has passed from the scrum-half to the fly
And the wing has scored another try.
